

SparkleCare Cleaning - Approved Business Knowledge

Test document for Nova v8 Knowledge + Memory Intelligence

Business Overview

SparkleCare Cleaning provides residential and office cleaning services in Lahore. This document contains approved customer-facing business information and policies. It is informational knowledge; live slot availability and final booking confirmation must still come from the scheduling system.

Service Areas

SparkleCare currently serves Johar Town, Model Town, Wapda Town, DHA Lahore, Gulberg, Faisal Town, Garden Town, and Thokar Niaz Baig.

Customers outside these areas may still request service, but the team must confirm whether service is possible before the booking is finalized.

Same-Day and Weekend Service

Same-day cleaning requests are accepted, but same-day service is subject to cleaner availability and is not guaranteed until the scheduling system confirms a slot.

Normal operating days are Monday through Saturday. SparkleCare is normally closed on Sunday. A special Sunday request may be reviewed manually, but the assistant must not promise Sunday service without confirmation.

Hourly Cleaner Hire

Hourly cleaner hire is charged at USD 40 per cleaner per hour. The estimate is calculated as: number of cleaners × number of hours × USD 40.

Example: 3 cleaners for 2 hours = $3 \times 2 \times \text{USD } 40 = \text{USD } 240$.

Cleaning Materials

Standard cleaning supplies are included with Deep Home Cleaning. For Hourly Cleaner Hire, customers may use their own supplies. If SparkleCare supplies materials for an hourly booking, an additional materials charge may apply and must be confirmed before booking.

Pets in the Home

Yes, cleaners can work in homes with cats, dogs, and other ordinary household pets. Customers should tell SparkleCare about pets before the cleaner arrives and should make sure the cleaner can work safely.

Customer Presence and Property Access

Customers do not need to stay at home during the entire appointment. Someone must provide safe access to the property unless another access arrangement has already been agreed.

Heavy Furniture

Cleaners may move lightweight household items when it is safe. They should not move very heavy furniture, wardrobes, beds, large appliances, or other items that could create a safety risk.

Parking

If paid parking is required at the customer's property, the customer is responsible for providing parking access or paying the actual parking charge unless SparkleCare has agreed otherwise in advance.

Cancellation and Rescheduling

A standard cleaning booking can be cancelled or rescheduled without a cancellation charge up to 12 hours before the scheduled appointment. Requests made later than that may require team review.

Recurring Cleaning

Recurring cleaning may be requested twice per week, weekly, every two weeks, or monthly. Final recurring pricing and cleaner availability must be confirmed before the recurring schedule is finalized.

Damage and Fragile Items

Customers should tell the cleaner about fragile, valuable, or sensitive items before cleaning begins. Any damage complaint should be referred to SparkleCare support for review.

Custom Quotations

Custom quotations may be required for very large villas, large commercial floors, post-construction cleaning, unusual cleaning requirements, large balconies or terraces, recurring commercial contracts, and specialized exterior window cleaning.

Payment Information

SparkleCare accepts Cash on Delivery, JazzCash, EasyPaisa, bank transfer, Visa, and Mastercard.

Discounts

A 10% discount may be available on eligible cleaning services when the configured promotion applies. The discount is not automatic for every service and must be checked against the current quotation.

Information Intentionally Not Provided

This document does not state how many cleaners SparkleCare employs, the names of individual cleaners, staff salaries, or the owner's private contact details. If a customer asks for information that is not stated in approved business knowledge, Nova should not invent it.

Suggested Stress-Test Questions

- Which parts of Lahore do you cover?
- Can someone come today if I book now?
- Do I need to remain at home while you clean?
- Who pays if your cleaner needs paid parking?
- Can the cleaner shift my heavy wardrobe?

- I have a dog - is that a problem?
- What would 3 cleaners for 4 hours cost?
- Can I cancel the night before?
- Can I arrange cleaning twice every week?
- Do you take card payments?
- How many cleaners work for SparkleCare?
